REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Harbor View Elementary continues the quest for excellence in academics, citizenship, and educational opportunities for all students. We continue to maintain high expectations for our students as we encourage them to become not only excellent students, but productive and model citizens. Students helping one another and contributing to the community is an integral part of their education.

The faculty and staff at Harbor View continue to keep the academic success of the students as the essential element of the instructional day. As a result of this laser focus, we have once again been named a Palmetto Gold Award Winning school by the State Department of Education based on the general performance of the students' results on the 2011 Palmetto Assessment of State Standards (PASS). In addition, Harbor View received an Excellent school report card rating in both areas: Absolute Rating and Growth Rating. Harbor View once again obtained the 13 of 13 objectives necessary to demonstrate the goal of Met with regards to Adequate Yearly Progress (AYP). These objectives are based on student performance on PASS, student participation on PASS and the attendance rate of students. We are very proud of the dedication of Harbor View's faculty and staff to achieve excellence in all areas.

In addition to our focus on academics, we felt the need to dedicate a portion of our time to the health and wellness of our faculty and students. Our wellness committee worked tirelessly to ensure that we promoted healthy choices in our school which were evidenced in such activities as our Annual Fun Run, a new school-wide tennis initiative, exercise classes for teachers, and bringing a vegetable stand to the school where parents could purchase fresh fruits and vegetables. As a result of this team's focus, we were recognized as the Boeing Wellness award winner. Our students also joined in the effort by entering a contest to create a healthy recipe that could be served in Charleston County Schools, in which they were also the big winners, creating a tasty meal with salmon as the main course. We look forward to continuing the work started by this team to help promote a healthy lifestyle which will certainly have a positive impact on student learning.

It is through the continued support of our students by the parents, teachers, and community that Harbor View continues to be an excellent rated school.

"Together we will learn, grow, and Sail for Excellence. Today I
dedicate myself to becoming the very best me I can be."
-Excerpt from The Harbor View Creed
