Percent satisfied with school-home relations	97.9%	90.9%	88.2%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Lake Forest Elementary is a suburban school in Greenville County providing quality educational experiences for all students in 4K through grade 5. Our mission is to equip each child with skills to achieve his/her full potential, become an adaptive, life-long learner and responsible citizen, by providing opportunities that promote achievement and excellence through partnership with home, school and community. School achievements include two Red Carpet School awards, two Closing the Achievement Gap awards, and National PTA School of Excellence award. Lake Forest has been recognized three times as a Palmetto Silver Award school for outstanding achievement in raising PASS test scores. For the 2011 school year Lake Forest was a Silver Award Recipient for outstanding student academic performance. In the spring of 2010 Lake Forest received the PBIS (Positive Behavior Intervention Supports) ribbon award for achievement as a first year PBIS school. Additionally, we were recognized in 2011 for outstanding success as a year two PBIS school. PBIS enables us to focus on positive discipline techniques while teaching students appropriate behaviors. As a neighborhood school Lake Forest has excellent support from PTA, SIC, parents and community members. These groups provide invaluable support for school activities and ensure that quality educational programs are available for all students. Volunteers from local businesses, area senior citizens, and church groups assist students through individual tutoring, small group work, and by providing access to community programs. Core academic subjects are given special emphasis in the classroom. Teachers integrate subjects throughout the curriculum. Students performing above and below grade level are identified to receive special assistance. The reading interventionist, ESOL teacher and assistants, and volunteers provide special assistance to students. Students learning to speak and write English participate in computerized tutoring using the "English in a Flash" program. Other students who did not meet standards on the 2011 PASS test participated in morning tutoring two days each week. Students achieving at higher levels participated in programs for the academically gifted. Artistically talented children participated in ARMES programs at the district level. The after school care program continued to be very popular at Lake Forest, offering a structured program with a wide variety of activities available for participants. Students at Lake Forest have many opportunities to participate in special school programs such as our award winning Student Council, LFTV news show, Safety Patrols, Office, School Store, Guidance, and Media Helpers. Lake Forest also has a National Junior Beta Club and Elementary National Honor Society. Students annually participate in community projects such as Salvation Army Kins for Kids, Shoe collection program, Jump Rope for Heart, March of Dimes, United Way and others. Lake Forest continues to strive for improved educational opportunities for every student, increased test scores in all subjects, and achieving excellence at every level. We encourage parent and community participation in all aspects of our school life to truly be a community school for our children.
