ESEA composite index score	91.4	N/A	88.6	91.9

* Length of contract = 185+ days.

** Prior year audited financial data available.

EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	38	87	58
Percent satisfied with learning environment	100.0%	91.8%	93.0%
Percent satisfied with social and physical environment	100.0%	85.9%	91.2%
Percent satisfied with school-home relations	97.4%	90.6%	93.0%

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Kingston Elementary is a community based rural school serving approximately 650 students, Child Development through fifth grade. Our students are provided challenging and meaningful instruction through the skills of highly qualified teachers. The 2011-2012 school year has been a successful one. Increasing reading comprehension skills in grades three through five was a priority for the year as established by the instructional staff. We continued our efforts to enhance literacy instruction. Reading intervention programs were implemented to provide additional support. As a result, teachers participated in professional growth and collaborative planning activities with a focus on a core reading program, the use of lexiles, and integration of content material. Staff development with the CORE reading consultant enhanced instructional efforts. DIBELS Next was used as a reading assessment for kindergarten and first grade. Ninety two percent of kindergarten students and seventy eight percent of first graders reached benchmark. Students in grades three through five received grade level reading instruction in a whole group model while small group instruction was provided for remediation or acceleration. Literacy workstations were refined to allow for independent reading time and fluency practice. The performance level of students in mathematics continues to be higher than ELA. To ensure continuous growth, students work in TEAM time groups for thirty minutes of daily math skills lessons. Additionally, our students are active users of technology in order to develop skills needed in the 21st Century. Local school funds continue to support staff development activities for staff members and provide instructional materials for teachers and students.

The staff and school community share the mission to provide all children opportunities to excel in academics and develop positive social behaviors. The PTO works collaboratively with the staff to provide parenting workshops and family activities. Family and community events were well attended. School Improvement Council worked to increase the number of volunteers involved in school activities. Through these efforts, each classroom was provided with at least one volunteer to tutor students in academic areas. Community and service related activities included Jump Rope for Heart, March of Dimes, CAP food drives, and HTC recycling. Fourth grade students received awards for recycling efforts with the Solid Waste Authority. Students enjoyed enrichment of the arts through activities such as Fine Arts Day, May Day Play Day, Bingo for Books, and field day. The families and community members made events such as Grits for Grandparents, Muffins for Moms, and Doughnuts for Dads a tremendous success.

Kingston Elementary parents and staff feel this is a safe school where their children are challenged academically and appreciated personally. We will continue to strive for excellence and work to ensure all students reach their academic potential. Achievements of Kingston Elementary are due to the dedication of its students, school staff, parents, and community. The support of the community at large is appreciated in our quest to provide a quality learning experience for all students. Together, we will help each student reach success.

Mary J. Anderson, Principal
Franklin Sanders, SIC Chairperson
