REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

St. James Elementary continues to be committed to its vision of a world class school in which every student acquires an excellent education. Results of this commitment can be found in many awards earned for the schools performance. SJE earned the Palmetto Gold Award and the Palmetto Silver Award for closing the Achievement Gap. SJE also met 20 out of 21 AYP objectives. There was also an increase in the number of students accepted into the Duke Tip Scholars Program (up 38 from 89) and Johns Hopkins Talent Search Program (up 35 from 81). The School Improvement Council is one of 15 in the state to be named to the South Carolina School Improvement Council's Honor Roll. Three SJE students were awarded a 3rd place finish at the Horry County Schools Technology Fair. The SJE Dolphin Council received the National Association of Elementary School Principals Foundation's "NAESPF" Honor Council Excellence award" for outstanding participation in community service, student leadership, citizenship and school spirit. SJE responded to the growing number of students by adding new faculty in the areas of Art, PE and Technology. Additionally an Assistant Principal and Curriculum Specialist were added. A new Reading Intervention Program was implemented and a Reading Interventionist was added to the staff. Progressive learning opportunities included a trip to Florida to study the manatees and a Governmental field trip to Columbia. Continued development opportunities include: SJE Reads, In-school tutorials, Dolphin Council, Library Assistants, Winter Youth Basketball and the Mileage Club. One of the most exciting opportunities for the students was the introduction of PBIS (Positive Behavioral Interventions and Supports), a formal process of teaching and encouraging prosocial skills and behaviors. The students embraced this opportunity to showcase their ability to be good role models to others in and outside of school. The students were also able to show off their personal talents at the first annual SJE Talent Show. SJE's commitment to teaching life skills was well received by students showing exceptional support in service and learning projects raising over \$10,000 for local charities. Our efforts to increase parent satisfaction were realized with our parent survey results increasing to a 79% overall satisfaction rating. We are proud of our achievements and will continue our efforts in providing all students the opportunity to build life skills, achieve high levels of learning and create a future of excellence.
