Percent satisfied with school-home relations	N/A	N/A	N/A

*Only students at the highest elementary school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Palmetto Academy of Learning and Success, a Palmetto Gold recipient, is a public charter school located in the Market Common area of Myrtle Beach. The mission of PALS is to create a small, diverse learning environment that accommodates each student's individual differences, learning styles, and development while promoting high expectations for all students. By providing meaningful and innovative learning experiences, instruction for multiple learning styles, access to technology, and encouraging family and community involvement PALS is committed to guiding students in the development of both their character and academic potential in preparation for their success as lifelong learners. The staff at PALS is committed to the reinforcement of PALS' rigorous curriculum and high expectations for all students with more than 75% of the staff members holding or actively pursuing advanced degrees and 60% of the elementary classroom teachers holding certifications as reading specialists. PALS serves students from kindergarten through eighth grade and maintains class sizes of only 18 students per class. PALS' eighth graders moving on to high school have had the opportunity to earn 4 high school credits – English I honors, algebra I, geometry, and computer science/keyboarding. PALS also offers a full day Gifted & Talented pullout program with an average student to teacher ratio of 10:1. Students in kindergarten through second grade also receive gifted & talented instruction each week from an endorsed gifted and talented teacher. This small, diverse learning environment with highly qualified teachers attracts families seeking academically rigorous curriculum and whole-child development. The 2011-2012 school year was filled with many significant accomplishments for PALS! PALS was awarded a 3 year grant totaling over \$225,000 that finalized this school year. The school also had two groups of teachers who were awarded \$1,000 each for innovative projects and PALS' teachers had over 10 projects (which totaled more than \$4,000 in materials) funded through community support. PALS started a local chapter of both the National Junior Honors Society and the Junior BETA club. Students had the opportunity to participate in sports and more than 10 afterschool clubs. The PALS' Science Competition Team took first place in the Tower competition at the Science Olympiad and placed in numerous other events. Each class participated in a community service project such as: a canned food drive, pet supply drive, cards & letters to nursing homes, letters to veterans, beach sweeps, and recycling programs. Our students also had the unique opportunity to meet and greet local veterans when they welcomed home our local veterans after an Honor Flight with cards, letters, pictures, and flags. We are looking forward to an equally exciting and rewarding 2012-2013 school year!

Courtney Fancher
Stephanie Meridith Executive Director Board of Director's President
