REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Oakway Intermediate School is committed to fostering academic excellence in a secure and supportive environment, while encouraging personal responsibility, respect for others, and community involvement. Our school family is dedicated to providing quality school programs and best practices for all students. Our teachers strive to engage each student in relevant and challenging opportunities within an inviting, safe, and nurturing environment. Through this dedication, Oakway Intermediate School was able to meet Adequate Yearly Progress and receive the Palmetto Silver Award.

Oakway Intermediate serves 215 students in grades 4 and 5. The uniqueness of being an intermediate school allows us to focus our environment, activities and programs on this age student. Our Positive Behavioral Interventions and Support program allows for establishing expectations and providing incentives to the students. The PBIS matrix focuses on reinforcing student positive behaviors of Respect, Organization, Cooperation, Knowledge, and Self-control (R.O.C.K.S.).

Teachers implement technology in their daily instruction. Technology has been expanded so that classrooms have a variety of instructional technology. Teachers each have a webpage established for their classes to help with communication between home and school.

Teachers are committed to student growth and achievement. Using all data available, an in-depth analysis of each individual student's strengths, weaknesses and performance is carried out. This study provides information to help improve instruction based on student needs for the purpose of increased student learning.

Professional development continues to be a key component in our success. Our teachers received training in various areas in order to help meet the ever-changing needs of our students. This year, professional development was offered in the areas of data analysis, reading and math instruction, Motivating All Learners, different ways to tackle school improvement and the beginning steps of moving toward Common Core State Standards.

Oakway students engage and continue to demonstrate excellence in a multitude of academic activities correlated to the core curriculum. High expectations remain a commitment at Oakway Intermediate School. Our goals is for every student to thrive academically, socially, and emotionally while developing the assets necessary to become reflective, productive and responsible citizens.
