REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Horrell Hill Elementary School made progress during 2011-2012 school year. The instructional program was enhanced by using Fountas and Pinnell Leveled Literacy Intervention System and Math Think Central in our intervention program taught by the reading teacher and math coach. An after-school tutoring program was held for students who scored below basic in reading, math, science and/or social studies. We provided additional instructional support in reading and math for students in grades three through five at our Saturday Academy Sessions. We continue to have a partnership with Beulah Baptist Church. We partnered with Lower Richland High School IB Program as reading buddies with students in our primary grades. Their help enhanced our Literacy focus.

The PTO and School Improvement Council met regularly. The PTO provided supplemental materials for teachers and students, as well as staff incentives. Teacher skills were strengthened through staff participation in professional development activities, conferences, workshops, and graduate classes. While test results indicated improvement in some areas, there is a need to focus additional efforts on developing and improving students' science and math skills. We are continuing to grow through our Professional Development School (PDS) Connection with emphasis on professional development to support teachers in ELA and family literacy engagement.

Several students participated and placed in the district's Visual Literacy Festival contests and Spring Art Show offered at the elementary level. We have five National Board Certified teachers and two teachers who are currently pursuing this status. A team of teachers presented at a National Conference focusing on family literacy and authentic learning experiences for all students. Community involvement included our partnership with the University of South Carolina as a Professional Development School where interns worked with our early childhood teachers and students. We hosted two undergraduate on-site classes. Community outreach programs include: Service Learning Projects where students collected food for Harvest Hope, money for Jump Rope for Heart and Pennies for Patients. Our Eagle Singers and Student Council performed for our business partners and an Assisted Living Care Facility in our community. Our guidance department received a grant to continue "Going Green", our school-wide recycling program. Our extra-curricular programs this year included: Leadership Academy (Boys Club), Eagle Explorer-Math/Science Club and Chorus. We continued with our One Hundred Women/Men Read to enhance our reading initiatives. Women and Men from different aspects of the community participated. In addition, our Annual Literacy Parade was heavily supported by our families and community. Our school was awarded the Fresh Fruits and Vegetables Grant. We won the Healthier US School Challenge Bronze Award. It is our commitment and goal to continue to explore and implement innovative strategies to ensure that we meet the needs of all students.
