Report of Principal and School Improvement Council

North Middle-High School is located in Orangeburg County and is a part of Orangeburg Consolidated School District Five. We serve students in grades 6-12 with an approximate enrollment of 310 students. Our vision, like our district's, is "Working Together to Build a World-Class School System."

North Middle-High School is a "Making Middle Grades Work" and "High Schools That Work" site. Teachers utilize Voyager, USA TestPrep, and Study Island to increase literacy and numeracy levels.

North Middle-High School offers several extracurricular opportunities for students. The band continued to excel this year and finished as a state finalist. The volleyball team advanced to the state playoffs, and one member of the track team won two State Championship Titles.

Communication was an emphasis for the 2011-2012 school years. The school hosted parent nights each nine weeks as well as a middle school night and a high school night. In the spring, the school hosted a night for the rising sixth graders. Weekly call outs using Blackboard Connect were made to keep parents aware of upcoming school events. The marquee in front of the school listed school events and student achievements.

The school was led by an outstanding group of seniors this year. There were 42 active senior students and 41 received high school diplomas. The seniors were responsible for reviving the school yearbook and having the first baccalaureate service in over forty years. All seniors completed a senior exit project and presented their findings to a panel of judges. Students participated in several community activities including two blood drives, Adopt a Highway, and a Community Day in the spring.

The (SIC) School Improvement Council along with the help of our district focused on improving our technology. All classrooms are now equipped with new computers, LCD projectors, and white boards. Increasing parental involvement was also a focus of the SIC, as a result of this initiative, there has been an increase in the number of parents actively involved with the school.

As we look forward to the 2012-2013 school year we can definitely say that North Middle-High School is moving in the right direction.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	51.0
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations

Accountability Indicator for Title I Schools
