REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The 2011-2012 academic school year has been very rewarding as a result of the hard work by our students, parents, teachers, and staff. Barnwell High School participated in the district accreditation process for Barnwell School District 45. The evaluation team came in, observed, interviewed, and provided direct feedback. The visit was a success and Barnwell School District 45 received National Accreditation.

Barnwell High School's mission is to prepare all students to become independent lifelong learners and productive members of society. Furthermore, Barnwell High School believes that education is important to any modern society. In a society such as ours, it should be dedicated to the worth of the individual and committed to the nurture of free, responsible men and women. Therefore, we should, in this changing society, be compelled to foster individual fulfillment in all students.

Barnwell High School continues to strive for excellence through hard work, commitment, and dedication by our students, parents, teachers, and staff. We are proud to announce that the graduating class of 2012 received a total of $2, 082,224.00 in scholarships. Two students were named Palmetto Fellows, twenty-five students received four-year life scholarships, forty students received two-year life scholarships, and thirty-one students were awarded South Carolina Lottery Tuition money.

Barnwell High School continues the tradition in extracurricular and co-curricular activities, which are integral parts of a well-rounded school experience. Six students signed to play sports on the collegiate level. Also, one student made the cheer squad on the collegiate level.

Our parent and student organizations continue to be strengths of our school. The School Improvement Council continues to be a committed group of parents, students, teachers, and community members that work hard to improve our school. All of our booster organizations work diligently to produce an environment where students are connected to the community and dedicated to academic excellence. The Warhorse Club and Band Booster Club continue to provide avenues for parental involvement and support for our programs.

It is our belief that we will continue to improve as long as we work together with our students as our focus. We are continuing to yield the types of program results that will position us closer to state and national benchmarks. It is with confidence that we commit to serving our students and community in providing the best educational opportunities possible. Barnwell High School continues to provide all of the added ingredients for a quality and comprehensive education.

Mr. Jon Burdge, Principal

Mrs. Vicki Carter-Blocker, SIC President
