REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Berkeley County Middle College High School is a school choice option partnership between Berkeley County School District and Trident Technical College. We provide a personalized learning community for students who want to accelerate toward fulfillment of college and career goals, and for groups of students underrepresented in postsecondary education.

As the district's only magnet high school, the Middle College has successfully completed its second year. Our student body increased from 74 students in year one to 91 students in year two. Three of our seniors received Associate Degrees from the college on May 4, nearly a full month prior to receiving their high school diplomas. Eighty-nine of our 91 students collectively attempted 399 dual credit college courses with a pass rate of 86.5%. Twenty of the 61 students in the Class of 2012 earned a total of \$671,400 in academic scholarships and grants. One member of the Class of 2013 has been named a National Merit Scholar semi-finalist. Another earned the national prize in the Veterans of Foreign Wars Voice of Democracy essay competition, bringing home a \$30,000 prize.

We are located on the Berkeley Campus of Trident Technical College and can serve up to 100 students from the district's seven comprehensive high schools. Our partnership blends high school and college courses to provide students with rigorous academic pathways, comprehensive guidance support and job shadowing, as well as multiple opportunities each week for academic tutoring and advisement. During the 2011-12 school year, we implemented a successful Response to Intervention process and our staff participated in professional development targeting literacy and implementation of Common Core State Standards.

At Berkeley County Middle College High School, it continues to be our joy to help students begin their transitions into higher education and bright futures.
