REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Baptist Hill Middle/High School, we see everything we do as a partnership with our students, families and community to better serve our students and make BHMHS a success.

We began the year by training teachers and staff to universally screen students in oral reading fluency, reading comprehension, writing and math computation. We used that data as well as MAP testing benchmarks to create our Tier II and III interventions for students who were struggling in their core classes. The students who qualified were given explicit instruction in a research based reading and/or math program and their progress was monitored weekly to ascertain their level of response to the intervention.

Our partnership with St. Paul's Trident Technical Satellite Campus was expanded to offer dual credit classes in Early Child Development. Additionally, we had our entire rising junior class take the COMPASS Placement Test in hopes of starting dual credit in ELA and Math as well. It is our mission to offer a rigorous and meaningful curriculum at Baptist Hill. We believe partnering with higher education communities will help us reach that goal.

We saw our MAP benchmark scores soar this year due to student incentives and an unwavering expectation of excellence. We continue to offer our HSAP prep classes and Operation Success test prep school-wide initiatives.

We appreciate the patronage and faith of the sea island communities and the Baptist Hill Family. We cannot be successful without you. Please come check in at the front office and take a look at what is going on at Baptist Hill; we welcome guests!

Adrian D. Busch, Principal Mary Porter, SIC Chairperson
