EVALUATION RESULTS

	Teachers	Students*	Parents*
Number of surveys returned	81	101	89
Percent satisfied with learning environment	80.2%	70.5%	84.1%
Percent satisfied with social and physical environment	95.1%	75.6%	81.6%
Percent satisfied with school-home relations	79.0%	83.7%	73.9%

*Only eleventh grade students and their parents were included. For schools without grade eleven, only the highest grade was included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Boiling Springs High School 2011-2012 school year was a time of implementation of innovative teaching strategies, best practices and curriculum adjustments to insure that the children of our school community continued to receive a world class education. Teachers and administrators continued working closely with the Spartanburg County School District Two Instructional Office to sharpen our skills in the areas of effective assessment strategies and curriculum delivery methods. Parents continued to be involved in the school in very positive ways. Most importantly, students came to school ready to learn and thus discovered a new world of opportunity each and every day!

Our teachers continued participating in staff development activities which enabled them to implement the High Schools That Work school reform model. Teachers also continued to work on the effective use of both assessment strategies and data analysis as we strive to become a Data Driven Learning Community. Continuous analysis of our data allowed teachers to make data driven instructional and curriculum decisions and implement materials and strategies that led to the academic growth of our students. It is our belief that these strategies and adjustments will reap major benefits for our students.

Our student achievements in various areas were extremely exciting for us! The 2012 Senior Class garnered 12.6 million dollars toward their postsecondary educational endeavors. This was the most scholarship money received by any graduating class at Boiling Springs High School. We had five students who won the prestigious South Carolina Teaching Fellows Award, the most in our school's history. Our Advanced Placement scores were outstanding; 83% of our students who challenged the AP tests scored a 3 or above. Two students were awarded the prestigious Bonners Scholars Award at Wofford College, and for the first time in our school's history we had a Gates Millennium Scholarship recipient. Our 2011-2012 Bulldog Marching Band became the South Carolina Upper State Marching Band Champions and finished in second place in 5A Marching Band Competition at the state level. Our Competitive Cheerleading Team finished in second place in 4A state competition. For the first time in our school history, we had a student win a state championship in track and field. Thirty one students received athletic scholarships to their chosen colleges. We are very excited about our students' accomplishments and achievements.

We are truly fortunate to have tremendous support from our parents and our extended educational community. It is our intent to continue to evolve in a positive way so that we may be the BEST school in the State of South Carolina for the children of our community. With a well-intended and coordinated effort, we will continue to "Strive to be the BEST" we can be for our children.

Mr. Chuck D. Gordon, Principal

Mrs. Norma Dillard, SIC Chairperson
