Report of Principal and School Improvement Council

“CHOICES” is in its 10th year as a charter school with charter agreements with both Florence District One and Darlington County. “CHOICES” target population is student’s ages 12 yrs to 17yrs which have been expelled from school or dropped out. Our goal is to provide an education that will transition them to become life-long learners and to possibly return to regular traditional school if that is possible and appropriate. “CHOICES” provides a foundation for continuous learning through classroom instruction, service learning, project-based learning, and on-site construction training. Character training is the cornerstone for “CHOICES” as the students are given the opportunity to discover the greatest possible understanding of self. They are exposed to individual, personalized learning with a strong emphasis on work ethics and job skills. The mission of “CHOICES” Charter School is to provide a learning environment that links school to work experiences by making the right choices and staying in school. “CHOICES” originated by the retired Police Chief of Florence who saw a need for a school for divergent learners who were roaming the streets and demonstrating behavior problems that were getting them expelled from school. This is the only other alternative after expulsion other than the streets or incarceration. “CHOICES” is physically located in Darlington County adjacent to Florence County in the middle of 130 acres of forest on Black Creek. The property is owned by Central United Methodist Church and “CHOICES” actually leases 8 acres for one dollar per month for the actual school location. Student enrollment has remained small, beginning with 30 students and capping off at 45 students. There is one certified teacher and teacher’s assistant per 15 students with additional assistance provided by retired professional people in the community. “CHOICES” has incorporated a Pre-GED component for students that cannot return to High School and will pursue the GED test when they turn 17yrs of age. “Choices” has adopted a progressive discipline system that ensures good communications between schools relative to student behavior.

Respectfully submitted by: Ralph Porter Executive Director and retired Police Chief.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
