Report of Principal and School Improvement Council

Lake View Middle School was the proud recipient of the prestigious Palmetto Silver Award during the 2011-2012 school year. Dedication and diligent work from the students, faculty, and staff over a three year period greatly contributed to earning the title of a Palmetto Silver School. In addition, Lake View Middle School was named the Best Junior High School in Dillon County. This award was sponsored by the local newspaper through the Best of the Best Reader Picks survey.

A new breakfast program was implemented during the school year. All students were served free breakfast in the classroom every morning. This ensured all students began their school day with a nutritious breakfast and enabled them to perform at their maximum potential for learning. Teachers and staff also used this time to build classroom community skills and to focus on character education. Each month, students from each homeroom were recognized for outstanding character and were awarded a school cup.

Lake View Middle School is committed to providing a positive learning environment where all students will be academically successful on a daily basis.

Shannon Johnson, School Improvement Council Chairman

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.

Overall Weighted Points Total	**87.8**
