## Report of Principal and School Improvement Council

This year, White Knoll Middle reached a milestone, celebrating our 20th birthday! Over time, literally thousands of students, staff and parents have been touched by and contributed to the War Hawk experience. Throughout the year, we have tried to remain true to our mission and vision of preparing students to be prepared and successful for life in the 21st century. We are committed to our school motto that WKMS is "Where Kids Meet Success." As our test scores and other data show, WKMS has a right to be proud of our accomplishments in academics, athletics and the arts with a strong emphasis on technology. Probably our single most defining characteristic is the caring spirit that flourishes here. White Knoll is still recognized as "that school that raised half a million dollars to buy a fire truck for NYC after the tragedy of 9-11."

We earned Gold and Silver status for PASS Test scores again this year -- Gold for closing the Achievement Gap and Silver for Absolute Achievement. Twenty eighth-graders were named Junior Scholars. Two seventh-graders were named Duke Tip Scholars. Sixty-five percent of sixth- and seventh-graders met or exceeded their growth index in reading on MAP. More than 60 percent of seventh- and eighth-graders met or exceeded their growth index in mathematics on MAP. One hundred percent of eighth-graders taking the End of Course Test in Algebra I Honors and English I Honors passed. Three eighth-graders maintained A Honor Roll for three consecutive years, while 20 percent of all WKMS students maintained Honor Roll status for the entire school year. The WKMS Geography Bee winner, a seventh-grader, was selected to participate in the S.C. State Geography Bee at the State Museum in March. The fine and performing arts program continued to do well, with the band receiving a rating of Excellent at the SCBDA Concert Festival this year. Our Special Olympics team and fan club made up of special and regular education students performed with distinction and made us proud!

One barrier to doing even better is the highly transient nature of our student population, with about 25 percent moving in and out of school each year. Another obstacle to achieving even greater academic success is the ever-increasing poverty index within our area (from 28 to 63 percent over the past 20 years).

WKMS supports our community by helping those less fortunate. We raised \$4,000 through Pennies for Pasta for those afflicted with Leukemia and Lymphoma, \$4,000 for the American Cancer Society's Relay For Life and \$2,800 for the United Way. We also pitched in to help several students and their families struck by tragedy and loss.

This summer was another very busy time as we improved and renovated our building. In the summer of 2011, we replaced our roof and about 12 of our rooftop air-conditioning units. In the summer of 2012, we replaced the 20-year-old carpet and all the windows for greater energy efficiency, re-painted inside and out, renovated the cafeteria, re-configured the media center into a learning commons and installed a secured entry. We now look brand new thanks to community support from a bond referendum approved by the voters several years ago.

White Knoll Middle continues to recognize the value of working as a team with the heart, strength and persistence of a true War Hawk. The ongoing success of our students and staff would not be possible without the steady and dependable support and counsel of our parents and community. The PTA and SIC are there for us when we call on them and we look forward to their continued involvement.

Principal Nancy L. Turner, Ph.D. and SIC Chair Edna Moore

**ESEA/Federal Accountability Rating System**

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
