Report of Principal and School Improvement Council

Hopkins Middle School, a Flagship School of Promise, has maintained an average student population of 510 students for the 2011-2012 school year. Hopkins Middle has focused on several goals and objectives, which centered on continuous improvement through technology integration, data driven decisions, enhanced public relations that showcased positive innovative programs, and monthly professional development for teachers. We are especially proud that we were recognized by the State Department as a Palmetto Silver School for our Growth Index on our PASS scores averaging a 92.2% for the last three years.

Hopkins Middle implemented several initiatives to intensify instructional delivery. Teachers used common planning times to collaborate and develop aligned assessments. Our daily literacy block allows researched based instruction of reading and writing strategies. Data from MAP testing was used to group students and to provide individualized information on student's academic strengths and weaknesses in math and reading. Hopkins Middle has acquired five computer labs; a Computer Modular lab that features robotics, forensic science, computer animation, etc. NASA'S Distance Learning Lab was used to promote science lessons with Richland One Challenger Center. All core content classrooms have Smartboards, Wireless slates and access to Document cameras, and Senteo systems. The Comprehensive Remediation After-School Program and Saturday PASS Academy provided additional academic assistance. Weekly school-wide Academic Enrichment instruction targeted specific areas that mandated growth noted by MAP scores and Common assessments.

Hopkins Middle has strived to increase parental involvement. Parents participated and enjoyed Social Studies Night, performing arts presentations, 6th Grade Orientation, Science Night, and Wellness night. Our PTA and SIC are very active, and have provided great assistance with school initiatives. We have established business partnerships with Westinghouse, Lower Richland High School, Fort Jackson, Benedict College, SYSCO Inc., University of South Carolina, Palmetto Community Services, Wal-Mart, Piggly-Wiggly, McDonalds, Chic-Fil-A, Tri-County Electric, and Zaxby's.

Our students continue to excel in many academic and extra-curricular activities. It was great to note that over 200 students passed at least three areas on PASS in 2011. Our boys' basketball team was the district runner-up in the District's Basketball Championship. Hopkins Middle School was represented with 4 Middle School and South Carolina Junior Scholars. Hopkins Middle School also had several students that participated in the district's Honors Dance, Band, and Chorus programs.

Our motto, "Hopkins Middle School Eagles Fly First Class", signifies that although we have made significant gains, we shall continue to cultivate student achievement and parent-school relationships through engagement.

Natalya Goodwin, SIC Chairperson

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
