Report of Principal and School Improvement Council

As the oldest school in Richland School District Two, Dent Middle School has a long history of excellence, and we continue to pride ourselves in the successes of our students and faculty. We feel the 2011–2012 school year was no exception. Rallying around our school-wide theme, “One Team, One Dream,” we unified our school and positively transformed the school culture. We look forward to an even better year in 2012-2013. Our students continued to shine and boasted multiple awards and commendations. We once again were leaders in the state with the number of eighth grade students recognized as Junior Scholars. As in past years, Dent students performed exceptionally well at the Regional Science Fair and led all middle schools with first place awards. Dent’s Symphonic Band received Superior ratings at both the South Carolina Band Directors’ Association and Carowinds Festivals. Several Dent band members were chosen for All Region and All State Bands, and four students received Superior ratings at the Solo and Ensemble Festival. As a result, they received the coveted Outstanding Performance Award from the SC Band Directors Association. The Dent Middle School Orchestra received a Superior rating at their Concert Festival, as well. Dent’s student-designed literary magazine, Shine!, won multiple state awards for their publication that consisted primarily of student writings and art. Our steel drum band continues to impress audiences across the state with their smooth, Caribbean beats, quickly becoming one of our more popular performing groups.

We take exceptional pride in the strength and diversity of the programs we offer, of the quality of our teachers, of the participation of our parents, and especially of the accomplishments of our students. We will continue to demonstrate a committed effort toward communicating our school’s vision, improving student achievement, and exhibiting pride in accomplishing our goals. The 2012-2013 school year promises to be one of continued growth and successes. With your help, I know we will reach all of our goals.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.
