REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Ronald E. McNair Middle School's motto, "Ronald E. McNair students are respectful, responsible, trustworthy, and college-bound," helped to drive the 2011-2012 school year. Ronald E. McNair Middle School is commitment to academic excellence and to the education of the whole student. The school's motto reflects the expectations and the vision of all who are involved in the daily operations of school. REMMS implemented a character education program in order to develop exemplary citizens within the community. Character education classes and a behavior incentive system contributed to the success of the program. Furthermore, the school enlisted various speakers from the community-at-large to address the students about the importance of displaying positive character traits.

The primary focus at Ronald E. McNair was academic rigor. The school continued to offer numerous high school courses – English I, Algebra I, and Computer Applications – as well as advanced English and math courses. Ronald E. McNair Middle School used a challenging district-based curriculum for Talented and Gifted classes. Additionally, the Academic Challenge Team, Matheletes, book clubs, and various local and state writing contests were implemented in order to create a school-wide focus on rigor. Great attention was devoted to the school-wide reading program, Reading Counts. REMMS students were recognized for the number of books read and tests passed during the academic year. Accelerated Push to PASS classes offered students additional support and practice on PASS-like testing activities. The ALEKS and Academy of Reading programs were implemented to help close the achievement gap for special needs students.

Professional development continued through the school's Teacher Advancement Program (TAP), with instructional strategies for single-gender classrooms serving as a focus for the weekly cluster sessions. Training was provided in-house by Master Teachers, by guest instructors and consultants, and by the State Department of Education's Office of Public School Choice.

As the school prepares for the next school year, Ronald E. McNair Middle School will continue to strive for academic excellence and to focus on building productive citizens for our community, our state, and our nation.
