REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The faculty and staff of Whittemore Park have had a successful and productive 2011-2012 school year. The mission of Whittemore Park Middle School, a culturally diverse community committed to educational excellence, is to ensure that every student is prepared to be a productive member of society and to achieve personal success through innovative, student-centered curricula delivered in a safe and positive learning environment. Our students have performed not only in the classroom but also in the community and in their extracurricular activities. WPM students have shown overwhelming growth on Measures of Academic Progress (MAP). Students in our strategic and intensive classes have made tremendous progress over the school year on benchmark tasks. This year, four students were identified as Junior Scholars and four students were Explore Scholar. We also had 2- 8th graders students selected to attend The Scholars Academy for 2012-2013 school year and 10-8th graders selected to attend Early College High School for the 2012-2013 school year. 12 of our 8th grader presented at the National History Day Regional Competition in Lake City and 2 were selected to attend the NHD State Competition. Our students are afforded many opportunities to participate in extracurricular activities. Six students were selected for All-County Band and two were selected for Region Band. WPMS also had 6 All County Chorus students this year and several chorus student have participated in a 2 day workshop/clinic followed by a concert. 70 of our students participate in athletics with Conway High School. Our students have participated in many community service projects. Our teachers have continued with their Professional Learning Communities (PLCs) and have focused on writing common assessments. We were also fortunate to partner with John Antonetti and Jim Garver, national consultant with Colleagues on Call, in order to work on the eight engagement qualities. Teachers have participated in learning walks and have worked on designing lessons to incorporate the engagement qualities into their lesson plans. We are very fortunate to have the support of a strong PTO and countless volunteers who have supported and assisted in helping our teachers, staff, and students with many different projects and tasks. We are very proud of the accomplishments of our school family. WPMS received the Palmetto Silver Award for attaining growth and substantial progress in closing the achievement gaps between groups of students.
