REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Conway Middle School fosters an affirmative academic experience for all students in a nurturing, supportive, and safe setting. Conway Middle School offers a continuum of rigorous programs allowing students opportunities to work on individual needs through a variety of standardized, diagnostic, curriculum-based, and teacher-generated assessments. We monitor individual progress to ensure that students' academic, social, and emotional needs are met. Additional time has been built into each school day for monitored independent reading (Tiger Time) in order to promote a love for reading and to reach our goals for literacy. We offer four team sports on campus, as well as, eight extra-curricular clubs in which students may choose to participate. This spring, CMS sponsored its first Robotics Team, which participated in the district's technology fair. Our faculty and staff regularly participate in professional development trainings offered at the school, district, state, and national levels. Three of our teachers participated in the E2T2 grant from the SC Department of Education. One of our teachers was selected as a top five finalist for Horry County Teacher of the Year. Many of our students have achieved recognition for academic achievements and performing arts. This year's accomplishments include: fourteen S.C. Junior Scholars, six Duke TIP Scholars, ninety-three National Junior Beta students, six students selected for Superintendent's Reading Award, eight students selected for All County Chorus, and one student selected for All-County Orchestra. Conway Middle School strives to provide a challenging academic experience within a nurturing atmosphere! Our students, faculty, staff, parents, PTO, School Improvement Council members and community members have committed themselves to advancing academic achievement, as well as, personal growth. We will continue to work together to provide an optimum learning environment for our students.
