REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Campobello Gramling School completed the 2011-2012 school year with many accomplishments. Academically, Five eighth grade students were recognized as South Carolina Junior Scholars, and three seventh grade students were named Duke Tip Scholars. Two students were selected to attend the Scholars Academy program at the University of South Carolina Upstate for the 2012-2013 school year. In addition, one hundred percent of the eighth grade Algebra I class passed the End of Course testing. Campobello Gramling School received the Palmetto GOLD award for absolute PASS scores and a SILVER award for Closing the Achievement Gap during the 2010-2011 school year.

Our related arts classes continue to offer award-winning programs. In seventh and eighth grades, CGS band students participated in 15 events in the Solo & Ensemble Festival in May. They earned twelve Superior ratings, two Excellent ratings and one Good rating. Nineteen medals were earned by individuals for Superior performance and twenty-three certificates were earned for Superior and Excellent performance. The CGS middle school chorus participated with Landrum Middle School at the Carowinds Choral Festival and the mixed chorus received a Superior rating and the treble chorus earned an Excellent rating. Our art program continues to earn awards in all grade levels and on national, state and local levels. The faculty and staff of Campobello Gramling School seeks to support charitable causes and encourages our students to do the same. This year CGS raised money for March of Dimes (\$1000) and Relay for Life(\$5500), and collected more than 7000 canned goods for those in need. In total, the faculty, staff and students of CGS raised over \$6500 for charities. This could not be done without the generous support of our community.

Teachers participated in a variety of staff development opportunities including study groups, literacy training, vertical articulation and the beginning stage of implementation of the Common Core State Standard. Our fourth grade teacher worked on a partnership with the Spartanburg Writing Project, which focused on integrating literacy into all subject areas, writing, and implementing a writer's workshop approach in language arts classrooms. Through this initiative, teachers worked with a consultant who provided staff development, modeled classroom lessons, planned instruction with teachers and provided opportunities for students to practice their writing skills in all content areas. Our instructional coach continued to provide teachers with ongoing support throughout the year. An area of special emphasis this year is a continued effort to implement our school (SACS) goals, which include: Improving School Communication, Improving Student Achievement for All Students, and Enhancing Staff Development to Improve Instructional Effectiveness. We meet monthly to discuss, revise, design, and implement strategies to address these goals. It is our continued commitment to do so for the success of our students and Campobello Gramling School.

Sincerely,
 John M. Hodge Principal
 Carey Ballew SIC Chair
