Percent satisfied with social and physical environment	100.0%	88.9%	75.0%
Percent satisfied with school-home relations	100.0%	90.4%	75.0%

*Only students at the highest middle school grade level at this school and their parents were included.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Rainbow Lake Middle School is a student-oriented school with a supportive environment which allows students to focus on learning. During the 2011-2012 school year, our enrollment totaled 716 grades six, seven and eight students. The successes of the academic, athletic, and fine arts programs at our school can be attributed to the hard work of conscientious students, dedicated teachers, and supportive parents. At Rainbow Lake Middle School, students truly come first. Our students made improvements in state testing and on the MAP tests this past school year. Student improvement was directly related to classroom instruction provided by teachers and the utilization of district and school software. Of our eighth grade students enrolled in Algebra I, one hundred percent scored either an A or B on the End-of-Course Examination. On the English I End-of-Course Examination, eighty-nine percent of students scored an A or B. This year, twenty-six eighth grade students were named South Carolina Junior Scholars for their outstanding scores on the PSAT. Two grade seven students received state level recognition as Duke University TIP Scholars for their exceptional SAT/ACT scores. Five students were accepted into the Scholars Academy at the University of South Carolina Upstate enabling them to take college courses throughout high school. Approximately thirty-three percent of students participated in the band, chorus, or orchestra programs. All music programs received excellent ratings in various competitions. Also, we had approximately two hundred fifty-four student athletes who participated in football, basketball, volleyball, and cheerleading. Students in the art class and art club won numerous awards in several different competitions this past year. Parents were actively involved in their children's education by attending parent teacher conferences, PTO meetings, Open House, award ceremonies, as well as chaperoning field trips and special events, and monitoring during standardized testing. Assistance from the community also came in the form of a \$5,000 Lowe's Toolbox for Education Grant which allowed for the assembly of an outdoor classroom on campus. The PTO worked tirelessly in raising funds to provide rewards for students, an appreciation luncheon for teachers, and landscaping for the school's campus. This organization was invaluable to the success of our students and teachers. Our band, chorus, and orchestra students presented exceptional performances during the PTO meetings. Rainbow Lake Middle School is a student-oriented school where students come first. Teachers at our school are diligent in their efforts to improve student achievement and to help students succeed. Through constant monitoring, we strive to maintain a safe and secure learning environment for all of our students. We are a school in which students, parents, and the community can take pride.

Donald Barnette, Principal
Nikki Hicks, SIC Chairperson
