Report of Principal and School Improvement Council

2011-2012 marked an amazing year at Berkeley Elementary School. BES was selected as a National School of Character by the Character Education Partnership, one of only twenty-three schools to receive this honor. This model's implementation has shown a significant decline in discipline rates over the past four years while the student attendance rate remains constant at 96%.

Berkeley Elementary School provides an exceptional learning environment. The school again received an excellent rating on its 2011 report card. The child development program is fully licensed by the Department of Social Services. Through an intensive district-wide process the Berkeley County School District, including BES, are now accredited by the AdvancED Accreditation Commission and Board of Trustees by the Southern Association of Colleges and Schools on Accreditation and School Improvement. This is an international accreditation organization and the district and BES will remain accredited through June 30, 2016.

Student achievement continues to show growth in many areas. AIMSweb testing demonstrated growth in reading as follows: Kindergarten scores showed that 83% of the students are established in phoneme segmentation at the end of the year. First grade Oral Reading Fluency scores show that 80% of the students are considered established or some risk. Data from the Measures of Academic Progress assessment indicates that 60.7% of second graders are at or above the 50th percentile in Reading and 63.3% are at or above the 50th percentile in Mathematics. Strategies such as differentiated instruction and early intervention services are enhanced to meet students' individual needs.
Students participate in school and community programs that enhance development and promote citizenship. These programs include Kiwanis "Terrific Kids" character education, Berkeley County Kids Who Care ecology awareness, Junior Achievement, Maestro Club, and the Northwoods Mall Art Show. Students receive mentoring from volunteers through our major business partner, Santee Cooper and also through the Berkeley High School Teacher Cadet Program.

Our staff increases their professional knowledge through staff development and coursework. There are eight Nationally Board Certified teachers on staff. Parents are an integral part of the school and serve on the PTO and the School Improvement Council (SIC). The SIC team members meet throughout the school year to review annual goals and make needed changes for improvement.

Berkeley Elementary School fosters an environment of success and appreciation for all students, staff, parents, and community. We will continue to develop partnerships that will ultimately help our students reach their maximum potential.

ESEA/Federal Accountability Rating System

In July 2012, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.
