REPORT OF SUPERINTENDENT

Our supportive community takes pride in the progress our schools have made. Much of our success must be attributed to the community and the active role that they and our parents take in our schools. Ninety Six is a special place, and we are fortunate to have a close relationship between the schools and the community. We are proud of the accomplishments of our schools, students, and faculty in the Ninety Six School District.

The staff (faculty and staff) work diligently to provide meaningful educational experiences for our students. Our staff continues to provide a quality educational and extracurricular program for our students. Academically, our scores continue to improve in all of our schools. Two of our schools were named PALMETTO GOLD schools and one was named PALMETTO SILVER. Additionally, our elementary school is working toward being an authorized International Baccalaureate Program World School! Our graduating seniors earned \$2,426,140 in scholarship money in 2013.

Our new 29 million dollar combination middle/high school complex was completed and we have occupied the buildings for the 12-13 school year. We had a wonderful year in the new complex. We appreciate the confidence the community showed us in approving this project.
