Report of Principal and School Improvement Council

At Greendale Elementary School, we demonstrate our vision of "Guiding and Educating Successful Students" by striving for academic excellence across grade levels and providing opportunities for success to all students. During the 2012-2013 school year, our school served approximately 400 students which included four-year-old kindergarten through 5th grade, a three-year-old Preschoolers Acquiring Language Skills (PALS) class and a class for students with Moderate Mental Disabilities. Our small neighborhood school values the strong relationships established between our school-home-community team.

The faculty and staff at Greendale Elementary are proud of the progress our students made during the 2012-2013 school year. To ensure that students have expanded materials and enriched learning opportunities, our teachers continuously seek additional resources for their students through grants. Greendale also provided a variety of programs during the year that enhanced academic achievement including Reading Recovery for at-risk first grade students and the continued implementation of "Push-In" reading intervention for at-risk first and second grade students. In this program, the Reading Interventionists work alongside the regular classroom teacher to support literacy instruction during the literacy block each day. Our school fully implements the Aiken County district-wide Reading Initiative by providing ninety minutes each day of uninterrupted literacy instruction. This instruction uses research-based structures and strategies in order to effectively teach all students to read at grade level by the end of third grade. Within both the Literacy Block and Math block, teachers provide rigorous instruction that emphasizes cross-content curriculum alignment with South Carolina State Standards, Common Core Standards and technology skills.

During the school year, our students participated in a wide range of activities to both strengthen and enrich their school experience. Opportunities included Accelerated Reader and MAP Incentive programs, Gifted and Talented, Character Education, Field Days, Red Ribbon Week, Field trips and Musical Programs.

At Greendale, our families are important to us. To demonstrate this value, we provide numerous opportunities for families to be a part of our work. Activities include Open House, Looney Tunes Banking, Veterans' Day Program, Donuts for Dads, Muffins for Moms, Goodies for Grandparents, Math Night at Reid's, Monthly Dragon Dialogue Newsletter, Spooky to Be Hungry-Golden Harvest Food Drive, National Lunch Week, Mentoring Program, Spring Carnival, United Way "Be A Bunny" Basket donations and Monthly Family Chick-Fil-A and Moe's Spirit Nights.

These efforts reflect our mission to guide our students within a strong school-parent-community team. We are pleased with our progress and look forward to next year as we continue to guide our students to become successful, life-long learners.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.

Overall Weighted Points Total	76.6
Overall Grade Conversion	C
