Report of Principal and School Improvement Council

Lonnie B. Nelson Elementary School is a neighborhood school located in the center of Richland School District Two. Through collaborative planning, shared decision making and the use of LIFESKILLS, our school has made great strides in reaching out to our community and involving all of our stakeholders. Five hundred and forty-eight child development through fifth grade students attended our Silver Award winning school this year. Our academic and culture-building success is directly tied to the efforts of our parents, teachers and students. Our School Improvement Council in collaboration with our district has written a comprehensive improvement plan to meet the challenges that we face. As our motto states, "We are a Community of Learners United in Helping Ourselves, Others and Our World." Our bees have been busy choosing various ways to be a leader in such clubs as Safety Patrol, Bee Greeters, WLBN News Crew, and joining the cast and crew of our new drama productions this year, Annie and Wizard of Oz! Our 5th grade ACE students were named the 2013 Project Citizen Champions at the middle school level by presenting their presentation of "Bee Safe at the Hive in the Traffic Line" and Lonnie B. Nelson was named the SC Bar Law Related Education Elementary School of the Year. Our school continually recognizes and acts upon the needs of our school, community, and the world.

Lonnie B. Nelson continues to work on safety issues and meeting the needs of a growing, active community. Many variables are included in providing the very best learning environment for all students. As we study and collaborate with all groups, we will continue to reflect and evaluate best practices for student success. We will continue to strive to be the very best educational setting for all students. Lonnie B. will continue to set high goals for improved student achievement and focus our attention on a safe and healthy environment, hiring and retaining a high quality teaching staff, and building our character education program. We look forward to many successes as we continue to fulfill the mission of Lonnie B. Nelson Elementary.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
