REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Ballentine Elementary School is to provide exceptional classroom instruction with engaging learning opportunities that are differentiated to meet the needs of all children. This mission of excellence has remained our focus as we have maintained an Excellent report card rating for nine consecutive years. Our school has also been recognized as a Palmetto Gold and Silver Award school and for Closing the Achievement Gap for nine consecutive years. Ballentine Elementary has also been named a National Blue Ribbon School of Excellence.

Through professional development opportunities, additional coursework and peer observations, our faculty continually strives to learn and grow to maximize the effectiveness of their instruction and to create the best possible learning environment. Over half of our teaching staff has earned National Board Certification.

Our culture of learning, supported by high expectations for all, challenges our students to grow in character and self-discipline to achieve at their maximum potential. In addition to a rigorous curriculum, high expectations for student achievement, and relevant learning experiences, our students learn to be good citizens through participation in numerous community service projects. Students become “others minded” as they learn how we are all connected and how they can contribute their time and talents to make the world a better place. Last year, students participated in awareness activities by raising money for the American Heart Association through Jump Rope for Heart, the American Cancer Society’s Relay for Life, the Ronald McDonald House, and Sister Care. Our students learn to be good stewards of our resources by learning about and raising funds for our State reptile, the loggerhead turtle, and through our recycling and terracycling program. Such student leadership opportunities as School Tools, Handy Helpers, Student Council, Jr. Beta Club, WBES, Student Ambassadors, Safety Patrol, and Waste Warriors are also designed to assist students in becoming responsible citizens.

The partnership between home, school, and the local community is strengthened through on-going communication, community service projects, an active Parent-Teacher Organization and School Improvement Council, and special family events at the school. Our parents and community assist us in ensuring that all students are appropriately provided for instructionally.

Our mission of continually striving for excellence and our strong partnership between home and school, combined with challenging and enriching instruction fosters a positive, supportive learning environment for all students.
