## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

As we conclude our seventh year, Sandlapper Elementary has achieved the state's Palmetto Gold and Silver Awards. We have 15 teachers with National Board Certification. Sandlapper was also awarded the "Victory Initiative" Department of Defense Grant which provides special resources for us for 3 years. Almost 31 percent of our student population is military. This partnership with DOD provides unique staff development, materials and opportunities to better meet the needs of our students.

We continued the 12-13 school year with our Positive Behavior Intervention and Support initiative based upon research-based positive systems. Our staff, SIC, and PTO have provided many opportunities for our families and community to become involved including the Hot Dog Supper, Veteran's Day activities, Art from the Heart, Mother/Son, Father/Daughter Dance, Spring Fling, and the S.A.M. (Sandlapper and Military Families) Support Groups and Events. We honored three very special Community Partners this year – Samurai Karate Studio, Chosen 2 Conquer Ministries, and the 120th Adjutant General Reception Battalion who also won the State Education Volunteer Award. With commitment by all . . . students, faculty and staff, parents, community, and businesses, we have created an enviable, safe, supportive and challenging environment for our young learners.

Test scores alone cannot depict the exemplary efforts and achievements of our students. Our children model diversity, democracy, and citizenship through service learning and character education; they demonstrate physical triumphs through P.E. and our morning track program; and they make new discoveries and create original works through technology and fine arts integration. This narrative was written prior to the release of the 2013 PASS results; these results will be carefully analyzed and strategies will be implemented for continued improvement. We continue to study our growth data from the NWEA's Measures of Academic Progress (MAP). We have initiated more formative assessments such as DIBELS, mClass Math and AIMSWEB to chart literacy and mathematical growth of our students. We will continue to study strengths and weaknesses and design goals for success.

Best practices and strategies such as Working on the Work, Project-Based Learning, Hands-on Learning, Differentiated Instruction, Tier 1, Tier 2, and Tier 3 Interventions, and One-to-One Computing engage and challenge all learners. We also provided flexible grouping, academic programs beyond the school day, and varied interventions to address specific learning needs. We are excited about our newest initiative to emphasize student leadership, igniting a thirst for learning in a positive climate. This "Leader in Me" initiative requires extensive training of our faculty and staff and has already had quite an impact with our learning community. This year we provided over 30 clubs to which ALL students in K – 5th belonged!

We are very proud of our accomplishments and hope that you will share in our pride. This report card is a call to action for everyone to be involved in our continuing effort to constantly improve. Thank you for your support and for sharing the responsibilities of the success of our students and of Sandlapper Elementary.
