The 2012-2013 school year was another good year for Denmark-Olar High School. We continued our numerous intervention strategies and academic support initiatives to assist our students.

The mission of Denmark-Olar High School is to ensure a high quality education for each student through innovative instructional methods and dynamic educational experiences facilitated by highly skilled professionals.

Our staff provided a challenging and rigorous environment for our students. The students received a comprehensive curriculum based on state standards. As a result, we continued to demonstrate growth. Our passage rate for first attempt HSAP takers was 72%. Our U.S. History passage rate increased from 25% to 51.6%.

We also experienced great success outside of the classroom. Our JROTC won several first place awards at drill competitions, six cadets graduated from Leadership Camp; two cadets were awarded scholarships.

In athletics, our football team, men's and women's basketball team, & soccer team advanced to the state playoffs.

Our women's basketball coach was named Region Coach of the Year and Ta'Asia Wright was named Region Player of the Year.

A key contribution to our success is the strong community surrounding Denmark-Olar High School and our School Improvement Council. We will continue our efforts to improve our students' performance on state assessments, our graduation rate, increase parent involvement, and retain highly qualified teachers.
