REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Berkeley County Middle College High School is a school choice option partnership between Berkeley County School District and Trident Technical College. We provide a personalized learning community for students who want to accelerate toward fulfillment of college and career goals, and for groups of students underrepresented in postsecondary education.

As the only magnet high school in Berkeley County School District, the Middle College has successfully completed its third year. Our student body increased from 91 students in year two to 93 students in year three. Two of our seniors received Associate Degrees from the college on May 3, nearly a full month prior to receiving their high school diplomas.

Our students collectively attempted 434 dual credit college courses with a success rate (A, B or C) of 92.4%. Our US History EOC scores are among the highest in the district. The Class of 2013 earned a total of $617,760.00 in academic scholarships and grants. Our students participated in the Quest academic competition and Storm the Citadel. Our Response to Intervention program was a tremendous success in supporting our students as they achieved a 100% pass rate in all high school courses. We look forward to expanding our intervention strategies to include a peer tutoring program and are preparing to develop a new and improved work-based learning initiative for the 2013-14 academic year.

We are located on the Berkeley Campus of Trident Technical College and serve students from the district's seven comprehensive high schools. Our partnership blends high school and college courses to provide students with rigorous academic pathways, comprehensive guidance support and job shadowing, as well as multiple opportunities each week for academic tutoring and advisement. Our faculty completed its first year of professional development in the Common Core State Standards

At Berkeley County Middle College High School, it continues to be our joy to help students begin their transitions into higher education and bright futures.

Claire Mason Freeman, Principal
Alex Sturgill, SIC Chairperson
