Report of Principal and School Improvement Council

The 2012-13 school year was a successful year for York Middle School in many areas. We continued to address district and school goals in literacy, extra time and help, technology, and data driven decision making. This effort was rewarded in the fall with our progress in our federal and state accountability measures. YMS received a 94.1 score (letter grade A) on the federal ESEA waiver and a Good/Excellent rating with a Palmetto Gold Award for the state accountability Report Card.

Strong improvement was made in the areas of stakeholder involvement. Our School Improvement Council became a viable group that became informed and involved in our school. Our PTO, under new leadership, was very active and planned informative meetings that became well attended by our parents and students. Our students had outstanding performances in the classroom and in extra-curricular activities. Our Quiz teams and Math Counts teams had very strong showings and finished near the top in the Olde English Consortium competitions. The YMS band received the SC Band Director's Outstanding Performance Award presented to only a handful of bands throughout the state. The band had 7 students make the York County Honor Band and 3 students earned first chair. The band program also had 2 students selected to the SC All State Band. The YMS Chorus also excelled with 11 students being selected to the 2013 ACDA Honor Choir. In May, the band and chorus both earned named the Grand Champion distinction among all middle schools at the Pigeon Forge Time to Travel Music Festival in Tennessee.

Our athletic program also had an outstanding year with 3 division champions and 2 York County Middle School Conference champions in 8th grade girls basketball, 7th grade football, and 7th/8th grade baseball. In our first year, the boys track program finished second among twelve teams at the York County Conference Track Finals. The wrestling team also had another successful year with one individual conference champion.

We are very proud of all of our students, staff, and parents for the 2012-13 school year!

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/eSEA/> or request this information from your child's district or school.
