## Report of Director and School Improvement Council

Students attending the Aiken County Career and Technology Center and completing four or more credits in one skill area are designated as completers. This year 154 of our students will receive the distinction of being completers in their chosen field of study. This is a major accomplishment for these students, and with many completing national certifications in their specific area of training, these students are well on their way to entering the workforce as confident, productive citizens. ☐

Because of the engagement and real world learning opportunities, students attending the Career Center have maintained over a ninety-five percent graduation rate in recent years. For the 13th straight year, our Cosmetology students had 100 percent passage rate on the state licensing exam. Our partnership with engine manufacturer MTU continues to grow as one of the only registered youth apprenticeship programs in the United States. This year three of our students completed the 1600 hours of training and will earn internationally recognized credentials. As this award winning program continues to gain national recognition, eleven more students will be completing this work based training. ☐

We are proud of the individual and collective accomplishments of our students. Many have excelled at the state and national level, with some holding state offices in Career and Technology Student Organizations. Some of our notable accomplishments this year included our apprenticeship program being featured in The New York Times. ☐

As we continue to enthusiastically assist our students toward achieving success at our school and beyond, we welcome and appreciate the continued support from our parents, industry partners and community. ☐

## ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal High and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	N/A
Overall Grade Conversion	N/A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the state's expectations.

## Accountability Indicator (Title I Schools)

Aiken County Career Center has been designated as a:

- Title I Reward for Performance - among the highest performing Title I schools in a given year.
- Title I Reward for Progress - one of the schools with substantial progress in school subgroups.
- Title I Focus School - one of the schools with the highest average performance gap between subgroups.
- Title I Priority School - one of the lowest 5% lowest performing Title I schools.
- Title I School - does not qualify as Reward, Focus or Priority School.
- Non-Title I School - therefore the designations above are not applicable.
