Report of Principal and School Improvement Council

At Greendale Elementary School, our purpose is to provide our students with instruction and learning experiences that prepare them to become well-rounded, rigorous problem solvers of the technologically oriented world of the 21st century.

During the 2013-2014 school year, our school served approximately 440 students. This included four-year-old kindergarten through 5th grade, a three-year-old Preschoolers Acquiring Language Skills (PALS) class, and classes for Preschoolers with Disabilities and a class for students with Moderate Mental Disabilities. Our small, neighborhood school values the strong relationships established between our School-home-community team.

The faculty and staff at Greendale Elementary are proud of the progress our students made during the 2013-2014 school year. To ensure that students have expanded materials and enriched learning opportunities, teachers continuously seek additional resources for students through grants. Greendale also provided a variety of programs during the year that enhanced academic achievement including Reading Recovery for at-risk first grade students. Additionally, our students participated in a wide range of activities to both strengthen and enrich their school experience. Opportunities included Accelerated Reader and MAP Incentive programs, Gifted and Talented, Character Education, field trips and musical programs.

Our school fully implements the Aiken County district-wide Reading Initiative by providing ninety minutes each day of uninterrupted literacy instruction. This instruction uses research-based structures and strategies in order to effectively teach all students to read at grade level by the end of third grade. Within both the Literacy and Math blocks, teachers provide rigorous instruction that emphasizes cross-content curriculum aligned with South Carolina State Standards, Common Core Standards and technology skills.

At Greendale, our families are important to us. To demonstrate this value, we provide numerous opportunities for our families. Activities include Open House, Looney Tunes Banking, Veterans' Day Program, Donuts for Dads, Muffins for Moms, Goodies for Grandparents, Math Night at Reid's, monthly newsletters and calendars, Spooky to Be Hungry-Golden Harvest Food Drive, National Lunch Week, a Mentoring Program, PTO family events, United Way "Be A Bunny" Basket donations and Monthly Family Spirit Nights at Zaxby's and Sonic Drive-in.

These efforts reflect the foundation and desire to provide a school where motivated students are achieving within a framework of relevant content, quality instruction and experiences in the areas of reading, science, technology, engineering and math.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.

Overall Weighted Points Total	**80.7**
Overall Grade Conversion	**B**

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Peformance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.
