Report of Principal and School Improvement Council

Millbrook Elementary has made significant steps toward continuing the legacy of delivering a quality education to its students. The School Improvement Council, Parent Teacher Organization and faculty work together as a team to ensure a positive learning environment. Many of our students and teachers have been recognized for their accomplishments in local, regional, and state competitions.

?

Millbrook Elementary offers many activities and programs to enhance student learning. The After School Tutoring program, PAWS for Reading program, Birthday Book Club, Book Buddies, and character education are just a few examples of the variety of opportunities available to our students. In addition, the school provides opportunities for students to be involved in Career Day, Field Day, Safety Patrol, Veteran Day programs, Jump Rope for Heart, Chorus, Student Council, Fitness Club, Drama Club, Safety Patrol, Art, Student Council, and the SPARK program with USC-A for at risk males.

?

Our school was awarded the Red Carpet Award for our family friendly school environment for 2010- 2013. In addition, we have met national average yearly progress criteria scoring at the excellent and good levels. We have also received the state Palmetto Gold and Silver awards for our exemplary PASS results. During the current year, fourteen teachers received Savannah River Nuclear Site Science and Math grants to enhance the Math and Science curriculum. Also, our third, fourth, and fifth grade students competed in our yearly science fair. Three of Millbrook's students won awards at the regional level.

?

An updated School Renewal Plan has been completed by the Title I and School Improvement Council Committee for the 2014-2015 school year. The Renewal Plan focuses on the implementation of common core standards and computer software to assist teachers with the implementation of the standards. Title I funding will be used to provide staff development for teachers in all core subject areas. A Literacy Coach will provide professional development to assist teachers in incorporating common core standards into their daily instruction with a primary focus on reading skills. Also, the Literacy Coach will be developing individualized lessons in reading for our at risk students. Classroom interventions will be incorporated into the regular classroom in an effort to close the achievement gap and to provide differentiated instruction. We have denoted improvements in our writing scores over the past three testing periods in all grade levels. We attribute this improvement to a school wide focus on writing, a writing teacher and a new lap top writing lab. In addition, our social studies scores have steadily increased especially in our third grade at risk sub group. We attribute this improvement to the increase in hands on activities and the integration of social studies into the reading curriculum.

?

The growth rate for our at risk sub group decreased considerably during the 2013-2014 testing. We have plans in place to provide additional staff development that will assist teachers in developing researched based interventions. We continue to search for interventions and programs to assist us in developing a curriculum that will meet the needs of our struggling at risk population.

?

Our school provides excellent academic programs that are data driven to identify our students' needs. Our commitment to positive home-school relations, teacher collaboration, and professional development ensures that our students will be well prepared to transition into middle school.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	95.1
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Millbrook Elementary has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
