**Report of Principal and School Improvement Council**

This year was one we will not soon forget at McBee Elementary School. Samples of our accomplishments are listed below.

☐

McBee Elementary School students continue to do well on PASS. The federal ESEA rating given to our school was an A. We attribute that success to an excellent staff, community & parental support, and wonderful children, as well as the use of technology by teachers, data analysis, and intensive staff development.

☐

Computerized benchmark tests (MAP) were given to help improve PASS scores. MAP results, which were available within 24 hours of students taking the test, helped teachers individualize instruction for their students.

☐

MAP data was used to form Math focus groups and Response to Intervention small reading groups.

☐

From spring to spring, significant growth was shown in all areas tested (Math & ELA) as measured by the MAP test.

☐

100% of classroom teachers participated in ongoing professional development

☐

As part of our character education program, students were recognized each Friday and displayed on the “Wall of Character” for showing good character.

☐

In a successful effort to get men involved in the lives of children, men from the community participated in our “Watch Dog” male mentoring program.

☐

In reflecting on the 2013-2014 school year, we are extremely pleased with the academic and social progress made by our students. Such progress makes us very optimistic about the future successes our students will achieve.

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>90.8</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

McBee Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
