Report of Principal and School Improvement Council

Kelly Miller Elementary School is a small, rural school with a HUGE amount of "Tiger Pride." During the 2013-2014 school year, the students, parents, faculty and staff recommitted to inspiring excellence in academics and the arts. This year, we were the proud recipients of the Palmetto Gold Award for General Performance, the Palmetto Silver Award for Closing the Achievement Gap. We also received an "Arts in the Basic Curriculum" Grant sponsored by The South Carolina Arts Commission. Kelly Miller continues to set high expectations for student behavior and recognized positive behaviors by continuing the "Principal's Pride Patrol" and end of the month STAR Character celebrations. Our students also participated in D.A.R.E. and Fairfield Behavioral Health "Keep It Real" character building programs.

Our teachers participated in weekly Data Team, Vertical Articulation, Grade Level and District Cohort meetings that concentrated on analyzing data that provided research-based instructional support which focused on individual students' learning needs. Our school also focused on creating highly engaged student learning and rigor, integrating the arts in daily instruction, developing project-based learning research assignments and student portfolios/conferencing.

Our school continues to provide support, enrichment and intervention to our students academically as well as in the arts. Mobile Math lab, literacy Wings Kindergarten Intervention, reading counts incentives, one to one chromebook devices, ivory keys, percussion ensemble and beginning band 1 and 2 are just a few examples of the programs we offer.

We are extremely grateful for our highly supportive partners in education: School Improvement Council, Parent/Teacher Organization and Community Partners. They have been instrumental in providing our learning community with support and enriching our curriculum and school climate through programs, resources, activities, and visibility. With their continued support, Kelly Miller continues to be "Committed to Excellence!"

Mrs. Kathy R. Woodard, Principal

Mr. Thomas Armstrong, SIC Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: http://ed.sc.gov/data/esea/ or request this information from your child's district or school.

Overall Weighted Points Total	**80.5**
