Report of Principal and School Improvement Council

Dear Parents and Stakeholders of Briggs Elementary School,

?

The entire Briggs community is to be commended for their initiative, dedication, and hard work during the 2013-14 school year. We pride ourselves on the philosophy of meeting the needs of all of our students. ?

?

Making a difference and challenging each individual student is our main emphasis. Our school-wide efforts continue to be directed toward established goals that are aligned to Florence School District One and our School Renewal Plan. "Sixty Years and Running" was our theme for the year. Students and staff members participated in several service-learning projects that benefited local, national and international organizations. ?

?

We are extremely proud of the significant improvement in PASS scores. Our Effective School Plan was implemented to address state standards utilizing data from MAP, Accelerated Math, Tests for Higher Standards, iStation, and COMPASS assessment tools that identify specific areas of need for each child. ?

?

School-wide commitment to early literacy, evidenced through our LEAP Lab, vigorous commitment to technology noted by the allocation of iPads, notebook computers, LCD projectors, Smartboards, document cameras, hardware upgrades, and several software programs, continue to make a difference.?

?

Our school continues accreditation with an "All Clear" rating through the Southern Association of Colleges and Schools.

?

The Briggs Association of Parents and Teachers and the School Improvement Council work in concert to continue to support outstanding initiatives at our school. Their mini grants fund many teacher enrichment activities. Our fourth annual "Taste of Briggs" was a huge community success.

?

Our school stakeholders continue to work together to ensure that Briggs remains a wonderful place to grow and be challenged. ?

?

Sincerely,

?

Martin Schmid, Principal

Erika Rowe, School Improvement Council Chair

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	83.1
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Briggs Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
