Report of Principal and School Improvement Council

This year we continue to look to new and innovative ways of addressing the mastery of standards while maintaining a balance with traditional, proven methods of instruction. We are working hard to effectively teach writing, utilizing a variety of resources to do so. We've begun a program including a new mobile lab, software and writing coach designed to transition students into effective writers. We are excited to see growth from our efforts and will continue to push forth in this effort. ☐

☐

With reading a priority for all students, we will continue to refine the Accelerated Reader 85% Club, Battle of the Books competition and other reading initiatives begun in previous years.☐

☐

Our staff has been vigilant in staying true with the implementation of our new Everyday Math curriculum. This curriculum focuses on understanding mathematical concepts rather than simply how to "get the answer." In addition to our new curriculum, we will continue our emphasis on math by continuing with Flash Masters, professional development for teachers and incentives for students showing achievements in math. ☐

☐

While our teachers' focus will be on Common Core standards with data gathered through a variety of assessments, we will continue to be data-informed rather than data-driven. We are charged with educating the total child. In addition to instruction, we constantly emphasize personal character. We recognize achievements in academics, attendance and positive behavior. We offer a number of extracurricular clubs and activities including the CARE club with environmental instruction, as well as art, chorus, Beta Club and others. We partner with organizations like the National Network of Partnership Schools and local churches to strengthen community relations and participation. We recognize that our parents play a most vital role in the education of our students and encourage them to visit our website to view current lesson plans and updates on what our students are learning. We also welcome them in visiting and/or becoming a part of serving our staff and students on the school Association of Parents and Teachers (APT). The staff and community of Dewey L. Carter Elementary has accomplished much thus far, and will continue to press on for the love of children. ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	79.6
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Dewey-Carter Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
