Report of Principal and School Improvement Council

It is with sincere gratitude and excitement that we, the parents, students, and staff of Palmetto Youth Academy, PYA, inform the community about our schools progress during the 2013-2014 school year and our goals for the upcoming year. ☐

☐

Palmetto Youth Academy is a public charter school in Florence School District One. We offer grades 3 through 6 to a maximum of 75 students. Our mission is to provide an opportunity for all students, regardless of income or ability, to reach their full potential, academically, socially, and behaviorally. As we continue to carry out this challenging, yet rewarding mission, we are driven by our goals for 100 percent student success and we are sustained by our commitment to parent choice and accountability. PYA has made tremendous academic progress throughout the 9 years in operation. During the 2012-2013 school year, PYA received a letter grade of B/89.9 on the school report card and last year, 2013-2014, PYA made even greater academic gains in ELA and Math. However, because PYA is a small school and only 46 students were enrolled in grades 3-6, no letter grade was reported on the 2013-2014 school report card. To continue making academic progress next year, 2014-2015, and to ensure student achievement among all subgroups, we will rely heavily on professional development, parental involvement, and community support. ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	45.8
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Palmetto Youth Academy has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
