Report of Principal and School Improvement Council

The vision at Mathews Elementary School is “educational excellence for a changing society” and our mission is “to challenge all students to think, dream, believe and achieve to their fullest potential by being ready, respectful and responsible.” The combined effort of the students, teachers, parents, staff, and community partners are essential to fulfilling our collective vision and mission. Our core instructional program is supported and enhanced by a variety of opportunities and initiatives that reflect our diverse school community. ¶

¶

Our Montessori Program, one of the many choice programs offered by Greenwood School District 50, is housed at Mathews. The Montessori Program is based on the philosophy that children have everything they need within themselves to learn and grow and is fueled by a hands-on, individual approach to learning. ¶

¶

Through the use of P.B.I.S. (Positive Behavior Interventions and Support), we have implemented school-wide expectations which emphasize that all students are ready, respectful, and responsible. Expectations are explicitly taught and uniformly reinforced through consistent consequences and positive reinforcements for all students. ¶

¶

The Common Core Standards were the basis for instruction in reading and math for all students in grades kindergarten through fifth grade. Technology was infused in every classroom to enhance student learning. Staff development opportunities were offered in all areas of the curriculum as we continue to strive to close the achievement gap while simultaneously raising the overall achievement for all students. ¶

¶

The collaboration and support of professional learning communities provide the platform for our commitment to continuous school improvement and academic excellence. Professional learning communities meet weekly to discuss the needs of the students and to reflect on research-based initiatives and data. The continuous reflection of the data allows us to provide targeted assistance to struggling students. ¶

¶

The Mathews’ Step Team continued the tradition by performing at the March of Dimes kick-off celebration during the local walk-a-thon. The school participated in a number of community service projects such as Red Ribbon Week, Jump Rope for Heart, March of Dimes, and the United Way. We are nurturing our students to become caring, productive citizens and life-long learners. ¶

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.4
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Mathews Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
