Report of Principal and School Improvement Council

At Bethune Elementary, our faculty and staff strive to "Discover the Gifts of Every Child." The mission of Bethune Elementary School is to expand our views of the future by challenging ourselves educationally and personally, always keeping our goals set high. All of our stakeholders at Bethune Elementary are focused on this mission. ☐

☐

The 2013-2014 year was full of many successes for our school. In 2013 Bethune Elementary received an "A" on the Federal Accountability Report. This means that the academic performance at Bethune Elementary substantially exceeded the state's expectations. This is the second year in a row that Bethune Elementary has received an "A". In 2013 Bethune Elementary was named a Palmetto Gold Award winning school for general performance. Bethune Elementary was named a Title I Reward School of Performance in 2013. We received an Absolute Rating of Good and a Growth Rating of Excellent on our SC Report Card. ☐

☐

The 100 Book Challenge was successfully implemented in Kindergarten, 1st and 2nd grades. Students in these grades logged over 3,500 hours of reading at home. Our school library circulated over 10,000 books to students this school year. We continue to use SuccessMaker and Math IXL software in the computer lab to provide students with the opportunity to focus on academic areas that need improvement. Learning A to Z is used to provide small group reading focus time to our struggling readers at each grade level. Student writing was recognized with our Principal's Showcase and our monthly Authors Tea. All of our students participated in the Kershaw County 4H program. ☐

☐

The professional development for our staff focused on Literacy across all grade levels. The Literacy Matters program provided teachers with reading and writing coaching. Teachers focused on using data from STAR and MAP (Measures of Academic Progress) to individualize instruction. Technology is integrated into the classroom through the use of laptops, iPads, interactive whiteboards and document cameras. Our computer lab was fully refurbished with new desktops and headphones. Jennifer Oglesby was our Reading Teacher of the Year, and Julie Pigg was our Teacher of the Year. ☐

☐

Our PTO, SIC, and community are a vital part of the success of our school. Several events such as our Veterans Program, Christmas Musical, and Valentine's Dance were successful due to the hard work of the PTO, parent volunteers, and staff. Our community volunteers were integral in helping with our AR and PBIS celebrations this year. Events such as Grits for Grandparents, Donuts for Dads, and Muffins for Moms allowed our students to celebrate their families. In 2013 Bethune received the 4H Butterfly garden grant and a Target field trip grant. ☐

☐

As we head into the 2014-15 school year, we plan to remain focused on literacy and individualized student instruction. We will continue to create a safe and nurturing environment for all of our students. The faculty and staff at Bethune Elementary are dedicated to preparing our students for academic and personal success. ☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.2
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
