Report of Principal and School Improvement Council

In 2013-2014, Pelion Elementary School successfully implemented the FranklinCovey Leadership Model, which is in line with our school mission of “Panthers Achieve Leadership.” This is an exciting time for our students and staff as we continue to work hard to empower our students with the skills and academic language they need for 21st century success.

□

PES’s leadership model encourages service learning with our students. Some of the inspirational activities this year included Jump Rope For Heart, Relay For Life, St. Jude Children’s Research Hospital Math-A-Thon, Logan’s Run and Harvest Hope food drives. Our students also made care packages for our soldiers. Staff encouraged students to develop their leadership ability through student safety patrol, WEE Deliver mail, WPES (school news), student council, chess academy, Leader in Me spirit team and many other leadership positions. It is through this leadership endeavor that our students demonstrate their understanding of their responsibility to their community.

□

Our academic program is a top priority. We strive to move our students to higher levels of learning by using the Northwest Evaluation Association’s Measures of Academic Progress (MAP). We meet as collegial teams to focus on the strengths and weaknesses of each student and to chart each student’s progress toward continued success.

□

We use other measures of academic performance such as Dominie reading and writing assessment portfolios, common assessments and benchmarking to help guide and drive our decision making. Our data meetings look at our 21st Century Community Learning Centers grant funded after-school program, results from Imagine Learning and First in Math computer-based programs, core differentiation of mathematics and English language arts, and small-group instruction for students in Response to Intervention tiers.

□

Parent and community involvement are very much a part of our learning community. Our SIC and PTO are integral parts of who we are at PES. Through iMoms and All Pro Dads, our parent and community members participate in parenting sessions that focus on skills to support them and their children.

□

Some of the barriers and challenges to student progress are the transient student population, attendance rate and high number of tardies. These impede the educational process. Our faculty and staff, along with the SIC and PTO, continue to look for ways to improve in these areas.

□

At PES, we focus on leadership, academic success and community involvement through communication, collaboration, creativity and critical thinking.

□

Principal Catherine M. Hodge and SIC Chair Cindy Smith

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	78
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Pelion Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
