Report of Principal and School Improvement Council

Midway Elementary School kicked off 2013-2014 with facility renovations that included new carpet and tile. This work complemented our focus on creating organized and welcoming environments that promote learning.☐

☐

The faculty participated in professional development based on "The 7 Habits of Highly Effective People." This study helped to focus our teaching, learning and interactions on fundamentals needed for student success.☐

☐

The MES PTO provided professional development that allowed teachers to work with educational consultants on rigor and engagement to maximize student learning. The consultants coached teachers in the classrooms to support the development of best practices for 21st Century Learners. This focus continued as students led our 21st Century Skills for Global Citizens Fair.☐

☐

Through the support of our PTO and SIC, we continued to create and supply two STEM Labs with necessary materials. The challenges of having two labs are the time needed for intense instruction and the need for funding of certified staff.☐

☐

Student leadership opportunities happened in groups such as the Recycling Team, Morning News Crew and Safety Patrol, and through the responsibilities given to individual students with Reading Buddies and special student groups. This marked the second year for our Student Council, which sponsored events to support our school's service projects, helped make celebratory decisions for the school and provided input on school improvements.☐

☐

MES invested in a computerized reading program called "Reading Counts." After reading books on their Lexile Level, students take quick computerized tests to self-check for understanding. This program and the First in Math program are technologically driven and designed to personalize learning at school and home.☐

☐

The French Partial Immersion Program worked to build resources, even though it remains a challenge to do so. The French Immersion Committee provided funding for two additional iPads in each French classroom.☐

☐

The use of technology to communicate within our community allows for quick and prompt input from all community members. Community support is evident as Eagle Scouts completed various projects for our school, including new outdoor tables, refurbishment of our outdoor classroom and five themed outdoor gardens for learning.☐

☐

For the 13th year, MES received a Palmetto Gold Award for general performance. The South Carolina chapter of the National School Public Relations Association recognized MES with four communication awards for our newsletter, website, video and calendar.☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	96.9
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Midway Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
