Report of Principal and School Improvement Council

Lake Murray Elementary shines as we live our mission of “Anchored in Leadership... Anchored in Learning.” This year, more than 85 visitors from throughout the state joined us for our second annual Leadership Day as we showcased our student leaders. LMES students learn leadership skills through serving others with activities such as Jump Rope For Heart, the Juvenile Diabetes Association Walk and Relay For Life. Our students and staff made care packages for soldiers, had a school food and coat drive, and collected supplies for a local pet shelter.

LMES students demonstrate leadership not only in service to others but also as they “Sharpen the Saw” with personal health and wellness activities such as Special Olympics, Girls on the Run, Boys Run Hard and the Boosterthon Fun Run. As we continue to support our students as leaders, Lake Murray Elementary remains one of only nine schools in South Carolina to be recognized as a Lighthouse School through the FranklinCovey The Leader in Me program.

This year, families enjoyed Habits at Home workshops led by students. Family Bingo Night, Student-Led Conference Night, Family Reading Night, Family Leadership Night and Murrayfest are some of the ways that our families and communities came together throughout this school year.

Great leaders make great learners! In addition to our leadership model, Lake Murray Elementary continues to achieve academic success with an “Excellent” Absolute Rating on the state-generated annual school report card. We were also awarded a Palmetto Gold Award for academic performance and a Palmetto Silver Award for closing achievement gaps.

As with any school year, there are always challenges. Teachers are working diligently to increase technology and real-world learning opportunities that will prepare students to be well-rounded 21st century students and citizens. Ongoing challenges to student learning include the rapid growth of our school and district, increased class size due to budget constraints and the ongoing challenge of expanding learning experiences in an already very compact day.

Through our partnerships with families and communities, and with an increased focus on communication, collaboration, creativity and critical thinking, we know that Lake Murray Elementary will continue to be at the forefront of student leadership and academic excellence.

Principal Devona L. Price and SIC Chair Ed Pearce

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	100
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
