**Report of Principal and School Improvement Council**

The Pleasant Hill Elementary School family spent the 2013-2014 academic year “Connecting the Dots” to a great education. Students, parents and staff made strides in many areas, including technology, professional learning, community involvement and school safety. In 2013, PHES once again earned the Palmetto Gold Award for general academic performance.

In the area of technology, PHES began a keyboarding initiative for second- through fifth-graders. All fifth-graders became iPad certified. Student technology scores increased significantly as 89 percent of second-graders and 91 percent of fifth-graders passed the technology assessment. We also utilized Peachjar for school and community digital flyer distribution.

School safety and positive role models are both paramount for a strong academic environment. The PHES WATCH D.O.G.S. program was a big success. Almost 200 dads spent a day at PHES serving as positive role models and enhancing school security. In addition, a Lexington County Sheriff’s Deputy was on campus several hours each school day. The PHES PTA and SIC increased campus security by adding a privacy fence behind our playground and completing fencing on the side of the playground. These two parent groups also organized the PHES Playground and Wellness (PAW) Committee to develop a new playground/wellness area for students, staff and community.

The Spanish Immersion Parent Advisory Team sponsored the first El Mercado Spanish market for fifth-graders. Our third-through fifth-graders received face-to-face Spanish instruction for 90 minutes each week through the Lexington One Language Acquisition program.

Students raised \$10,500 for SmileTrain to provide more than 40 surgeries for children with cleft palates. Students also raised \$1,855 for Pennies for Patients to help children with blood cancers and donated 644 pairs of shoes to support a clean well water initiative in Africa. PHES continues to be a Green Steps school and added battery recycling this year.

PHES teachers grew through professional learning opportunities including training in the integration of technology and the implementation of newly created student leadership report cards and state standards. Teachers also received training in The Leader in Me program, and team leaders participated in a book study of “Every Child, Every Day: A Digital Conversion Model for Student Achievement.”

As we look to 2014-2015, we recognize the need to close the achievement gap in certain subgroups of students. Our data also shows that we need to focus on science and writing in all grades. We welcome these challenges as opportunities to prepare students as they become lifelong learners, leaders and global citizens.

Principal Margaret B. Mitchum and SIC Chair Torya Evans

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>95.8</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Pleasant Hill Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
