**Report of Principal and School Improvement Council**

The 2013-2014 school year brought much to celebrate at Carolina Springs Elementary School. Although our school’s enrollment was as large as it had ever been with nearly 1,000 students, we successfully maintained a close “family feel” by creating positive relationships among all stakeholders.

CSES enjoyed wonderful accomplishments this year. The South Carolina Department of Education awarded the school a Palmetto Silver Award for closing achievement gaps. We were also selected, for the third time, as a model school by the Clemson University International Leaders in Education program and hosted teachers from seven different countries as part of our International Day.

Our faculty received a number of grants, and the Lexington Soil and Water Conservation District named our Spanish Teacher Michael Frank the 2014 Teacher of the Year for the primary school division.

We had five students selected for the South Carolina Elementary Honor Choir, and our iPad Ensemble played the National Anthem at a USC Men’s basketball game. A number of students also participated in the Girls on the Run and Run Hard programs.

Our PTO had two very successful fundraisers this year, including a Boosterthon Fun Run and a Fall Carnival. The proceeds funded a cultural field trip for every grade level, Type to Learn software for computer labs, sunshades for each playground, and several other benefits to our students and faculty. We planned and hosted a number of fun activities to raise money for Relay For Life, JDRF and Jump Rope For Heart.

Academically, we had a very productive and successful year. Professional development focused on analyzing and using data to improve instruction and increasing rigor, which we immediately put into action in the classroom. Our students were challenged in ways that they never had been before, and the resulting growth was amazing. It made the ongoing challenge to find ways to meet the needs of our struggling learners even greater, however, by raising the bar for everyone.

Helping parents understand Common Core standards and how we were implementing them was also a challenge.

As we look ahead to next school year, the challenges of high enrollment will be helped somewhat by the opening of Deerfield Elementary. While we will certainly miss those families who are leaving us, we know there are great things in store for those who remain at CSES!

**ESEA/Federal Accountability Rating System**

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

<b>Overall Weighted Points Total</b>	<b>92.9</b>
<b>Overall Grade Conversion</b>	<b>A</b>

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

**Accountability Indicator (Title I Schools)**

Carolina Springs Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
