Report of Principal and School Improvement Council

Forts Pond Elementary School is a professional learning community that focuses on academic achievement as we “Live, Learn and Lead.”

☐

We are dedicated to preparing students to be self-directed, caring, creative and collaborative citizens of the 21st century. Our dedication was recognized as we were again named a Title I Reward School for Performance as one of the highest performing Title I schools in the state.

☐

In 2013-2014, our school was recognized as one of 30 schools in South Carolina in The Leader in Me program. We are in the process of becoming a “Lighthouse School” under this program. The Leader in Me is a whole-school transformation model that equips students with the self-confidence and skills they need to thrive in the 21st century. The entire staff was trained in “The 7 Habits of Highly Effective People” by FranklinCovey. During the 2014-2015 school year, parents will participate in this training.

☐

Our professional development continued to center on enhancing our ability to provide brain compatible learning environments, effective instructional strategies and active student engagement in learning. We continued to receive instructional coaching from expert consultants to strengthen our abilities to provide these conditions in every classroom. We also participated in professional development to enhance our learning and implementation of academic standards.

☐

Since writing continues to be a challenge for many of our students, we worked collaboratively with a literacy consultant to study student writing samples and to plan instruction to meet the instructional needs of each student.

☐

Students at FPES fulfilled their civic responsibilities through participation in Jump Rope For Heart, Relay For Life and our annual canned food drive. Several classes worked with volunteers from Michelin to complete school beautification projects. Students also planned a Veterans Day celebration to honor local veterans.

☐

Our PTO was instrumental in providing funds to support school initiatives. It funded our first mural painted by our fifth-grade classes, field studies and art display cases. The PTO also assisted with the cost of outdoor beautification projects and additional radios for safety purposes. Peaceful Playground game boards were painted on the playground as we structured physical activities during recess.

☐

As we look forward to continued improvement, FPES will continue to serve as a school dedicated to our community, empowering students to be self-directed, caring, creative and collaborative citizens of the 21st century.

☐

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	73.2
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Forts Pond Elementary School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
