Report of Principal and School Improvement Council

Meadow Glen Elementary School, "Home of the Explorers," created a simple theme this school year: REACH. We spent time working on REACHing our personal and academic goals to develop leadership qualities in all students and staff. Our teachers and students worked hard to REACH their maximum potential while understanding differing perspectives.

☐

We continue to grow at a rapid pace. Since June 2012, MGES has increased by 265 students. One of our challenges is to find ways to utilize our facility to meet the needs of a growing school while maintaining a family-friendly atmosphere.

☐

MGES earned a Palmetto Gold Award for the third time in recognition of our students' academic success. Our cafeteria received a Bronze Level Incentive Award from the U.S. Healthier School Challenge. The school also received several grants for recycling, health and fitness, technology and literacy. MGES Teacher of the Year Blair Robertson was named a top five finalist in the District Teacher of the Year Program. Angie Boatwright, executive secretary, was awarded our Support Staff of the Year award. The Lexington One Educational Professionals named Principal Cheryl Fralick their Administrator of the Year.

☐

Teachers participated in professional learning community meetings. Focused topics included data analysis, understanding grading practices, gradual release of responsibility, personalizing learning, student data notebooks, Common Core writing strategies and inquiry-based learning to develop 21st century learners.

☐

Developing student leaders continued to be a priority. All students could apply for certain jobs around the school. Kitty White, fourth-grade teacher, created a new morning club for fourth- and fifth-graders called the T.U.R.T.L.E. Club. This stands for Taking Ultimate Responsibility To Live-Lead-Learn Every day. Students created a logo, T-shirts and recyclable shopping bags which they sold to raise money for severe weather radios for low-income families and the elderly.

☐

The Parent and Teacher Organization supported the First in Math computer program, teacher leadership and professional development opportunities, grade-level field studies, second-grade computer Writer Program and the Mandarin Immersion Program. The School Improvement Council met monthly and discussed grading practices, Lexington One Parent Ambassador updates, Common Core State Standards resources, school safety and security, school test data and current legislation.

☐

We are challenged by our rapid growth, implementation of the new Common Core State Standards and the search for ways to challenge high-performing students and to support struggling students. We are, however, committed to providing a rigorous instructional program. Our motto, "Growing What We Know by Motivating minds, Growing leaders, Exploring as thinkers and Serving others" is practiced every day at Meadow Glen Elementary.

Principal Cheryl Fralick and SIC Chair Tracy Suber

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	96.6
Overall Grade Conversion	A

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Meadow Glen Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
