Report of Principal and School Improvement Council

It is an honor to serve as the new principal of a school that has such a long history of academic excellence having received numerous recognitions for student achievement. Our efforts continue to be "all about the children."

?

During the 2013-2014 school year, we hired five new teachers in the high stakes tested grades. Three of these teachers were first year teachers. I am very proud of the way our staff came together to support one another and the students through this transitional year. Our veteran staff members helped to mentor and train five first year teachers this year in addition to their own instructional demands. ?

?

Our school participated in professional development provided by Title One in the areas of ELA and Mathematics. Our teachers immediately implemented best practice in their lesson plans and instruction. They utilized additional resources provided by Title One to enhance balanced literacy and hands on mathematics instruction. Additionally, Title One funds were utilized to reduce class size and hire two full-time lab managers to supervise our SuccessMaker labs, customize courses, and run reports for teachers. ?

?

We participated in a School-Wide Science Fair. Students in Kindergarten through second grade worked on whole class projects while students in grades 3 - 5 worked individually or with a partner. Seven of nine student entries won awards at the district level. ?

?

The Hopkins Elementary family worked hard to raise funds for various charities. Most noted was our gift to March of Dimes. Our school set a goal of \$400 and our Hopkins Family raised over \$1200 to support the March of Dimes. ?

?

This year we established a Step Team, Recycling Team, and the Aspire program for fifth grade girls. We recreated the student led morning news show to communicate the mission of Hopkins Elementary School, keep our school informed, and encourage our students to be the very best that they can be. ?

?

Our PTO and SIC have worked tirelessly to support Hopkins Elementary in our efforts to do what is in the best interest of children. Fund raising efforts have provided our students with new playground equipment/cart, an end of the year academic awards banquet, and four bicycles for positive behavior incentive. Together, we held various events to promote positive relationships with stakeholders to include Family Movie Night, PTO Meetings, Open House, and the Black Inventors Museum. ?

?

We are not where we want to be but we are on the RISE! Together, we will continue to provide Hopkins Elementary students with the best education possible and empower their dreams! ?

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	53
Overall Grade Conversion	F

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Hopkins Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
X	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
