Report of Principal and School Improvement Council

Horrell Hill Elementary School made progress during the 2013-2014 school year. The instructional focus continued to be on literacy across all disciplines integrated with math, science and social studies. We continue to have a partnership with Beulah Baptist Church. We partnered with Lower Richland High School Early Childhood II high school students to mentor second grade readers. [2]

[2]

The PTO and School Improvement Council met regularly. The PTO provided supplemental materials for teachers and students, as well as staff incentives. They also sponsored our Spring "Fun Day" Extravaganza for students, families and the community. Teacher skills were strengthened through staff participation in professional development activities, conferences, workshops, and graduate classes. While test results indicated improvement in some areas, there is a need to focus additional efforts on developing and improving students' science and math skills.

[2]

Community involvement included our partnership with the University of South Carolina as a Professional Development School (PDS) where interns worked with our teachers and students. We hosted two undergraduate on-site classes. Our PDS Connection supports professional development for our teachers in ELA and family literacy engagements, to include a focus on bridging gaps between our school and families. [2]

[2]

Several students participated and placed in the district's Visual Literacy Festival contests at the elementary level. We have five National Board Certified teachers. A team of teachers presented at a National Conference focusing on co-teaching to improve teaching and learning for students, teachers and interns. Community outreach programs include: Service Learning Projects where students collected food for Harvest Hope, money for Jump Rope for Heart and Pennies for Patients. Our Eagle Singers and Student Council performed for our business partners and an Assisted Living Care Facility in our community. Our guidance department held a school-wide career day, where there was representation from a variety of careers. We continued our "Going Green", school-wide recycling program. Our extra-curricular programs this year included: Hilltop Players Drama Club, Eagle Explorers-Math/Science Club, Chorus and a fifth grade Girls' Robotics Club. We continued with our 100 Women / Men Read to enhance our reading initiatives. Women and Men from different aspects of the community participated in this literacy initiatives. In addition, our Annual Book Character Parade was heavily supported by our families and community members. While challenges faced by our school include funding for various projects, it is our commitment and goal to continue to explore and implement innovative strategies. [2]

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	75.5
Overall Grade Conversion	C

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Horrell Hill has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
